

Our Chairman writes...

As we near the end of another year I look back with pride at the shows and plays we have produced. I would like to express a personal thank you to each and every one of you for all your effort and support.

A special thank you to all those who played a part in Brian's Remembrance service, it was a fitting tribute to a man who did so much for this Society. We should remember Sue and her family in our thoughts and prayers. We will also miss the exceptional dedication of Connie McBride who was an active and much loved member of this Society for so many years.

Carolare rehearsals are in full swing and I am delighted and heartened by the support you are all giving Maureen and Roger, and especially heartened by the number of new faces this year, welcome.

Finally as we approach our 100th year the Committee is looking to the future and how it conducts its business and represents you. To this end we have recently made some changes to the way the Committee works and I hope that the expected benefit of these changes will be apparent soon. As always, a plea from me as Chairman that if you have any ideas, comments or complaints please let me know.

I hope to see all members and friends at the Acting Bitesize, Dinner Dance and also the Carolare.

We are very excited about this production and especially as Mike Meer will be our Director. Mike brings a wealth of experience and technical know-how with him and I am sure will make this a challenging and very enjoyable experience.

This is an iconic piece of British television and everyone who comes to see it will have their favourite memory from the show so it is important that we do this justice.

Cast:- Men (obviously) and on this occasion age not a barrier, in fact could be a huge advantage. Ladies, yes! We do need 10 ladies and again any age.

Please give this your full support and come along on the 27th October and find out what it is all about.
